Spring - 2016

A Communication for Bayfield County HCE Members

Cooperative Extension • University of Wisconsin-Extension • PO Box 218 • Washburn, WI 54891
Phone (715) 373-6104 http: www.uwex.edu/ces/cty/bayfield 711 (Wisconsin Relay)

Dear HCE Members,

It seems as though I was just reading the winter Newsbrief and now it's time for the spring edition. I must say I'm glad it's close to spring. I've had a long bout with a nasty sinus infection, and sunshine and warmth surely sound great! It really hasn't been a bad winter, weather wise. But now that the Birkie is over, there is no good reason for a lot more snow and cold weather.

As usual, spring brings a lot of HCE events. March 17 is Lesson Day in Delta. What is the topic? Ticky Talk! Of course the Easter Bunny comes early so put out your baskets when you go to bed Saturday the 26th. Happy Easter!

April 21 is the NW District Spring Meeting hosted by Douglas County at Poplar. Then we have Spring Achievement Day at Cable on May 12. Hope everyone has their cultural arts projects on their way to completion. There are also a few executive board meetings thrown in for good measure along the way. So get your travelling clothes ready and enjoy the upcoming events. Happy Spring!!

Sincerely,

Elaine Adams
Cable HCE

Welcome Baby Dakota Grace!

Bayfield County HCE welcomed the November baby, Dakota Grace Mitchell. She joins her parents, Amanda and Matthew, and her five brothers and sisters. The family recently moved to Washburn from North Dakota. Dakota is shown here with Elaine Adams, Glory Bizub, and mom, Amanda. Amanda is holding a handmade quilt, one of the baby items collected from County HCE clubs to give to the family. The baby basket presentation to the first baby born in Bayfield County in November is an annual tradition to celebrate National HCE Week.

White River Club celebrates Valentines Day with their community!

To celebrate Valentines Day the White River club filled almost 30 baskets with sweets, breads, fruit and candy for friends and neighbors who need an extra bit of cheer. Our Ino 4H members helped decorate

cookies. Thanks for the delivery of those happy baskets! We also welcomed three new members, Kristine Knabe, Nancy Craig and Val Tomkins! What a wonderful group of gals!

Glory Bizub, White River HCE

Who doesn't like soup, salad & fresh bread?... White River hosted the 2nd Annual Soup/Salad Dinner on March 15th. All funds raised go to scholarships for local students. We are all aware of the rising costs of college, so we are very grateful to the people who show up and help us support our youth. The students in turn help at the meal as a way of showing their gratitude.

On the Move and in the GrooveFebruary 28 to May 28, 2016

Family and Community Life will again be focusing on walking and exercise as a county-wide activity. Any activity you do between February 28th and May 28th, 2016 can be counted. This includes walking, biking, gardening, cleaning, painting, swimming, hiking, etc. Each 20 minutes equals 1 point. For example, one hour equals 3 points.

Please report total points to Glory Bizub by the end of May. Remember 1 point for 20 minutes of activity. Local numbers will be sent to the WAHCE to be compiled and totals will be ready for the WAHCE State Convention in Eau Claire, September 12-14, 2016.

All About Our Grandkids!

For this issue, members of the Cable Club highlight a topic near and dear to the hearts of many in HCE. As the creed says, "We pledge...to promote the welfare of our boys and girls, the nation's greatest asset." Grandparents play such an important role!

Elaine Adams

What is the absolute best thing that could happen to anyone? I really believe it's having grandchildren. Don't you agree that they are cuter than our kids were in so many ways! They even have a language all their own. I can remember getting into all sorts of trouble because I laughed at many of the cute words in their language.

I was lucky enough to see my two grandchildren quite often while they were growing up in Illinois. I got a lot of cuddle-time in traveling to see them during the months when the weather was good. Of course they came for visits too. With birthdays and holidays, we managed to see them almost every month. And if they wore you out, you could always send them home.

A good grandmother needs to keep a close watch on her grandchildren. A little spoiling never hurt anyone much. They grow up so fast. You need to enjoy them while they are young. Now the talk is turning to weddings and serious relationships. Where did those little kids go!?

Karen Scheibe

My grandchildren range in ages from 32 to 10—6 grandsons and 5 granddaughters. Their careers are very diverse, a physiologist, chef, financial advisor, physical therapist, welder, electrician and jack of all trades, game warden, business

manager, teen-ager and 5th grader. A few are masters in their own field, going on for doctorates.

The great-grandchildren range in ages from 14 - 1 and another is expected in September. They live in Minnesota, Arizona and Texas, 5 girls and 3 boys. A very proud grandmother!

Marge Vrtis

We have 6 grandchildren and 4 great grandchildren. Our two oldest grandkids, Kelly and Jennifer, were the closest to us. When we retired to Cable in 1979 they spent the next few summers with us. They lived about 300 miles apart, so it gave them a chance to know each other. It gave their mothers a chance to relax. It also helped us to get to know them better.

Jennifer was a year younger but was very outgoing. She could run across the gravel driveway barefoot and never slow up. Kelly was raised in the Chicago area and lived. Jennifer showed her how to make mushy sand and water and really get dirty. This arrangement worked until Kelly discovered boys at age 14. The same lasted one more year for Jennifer. They often talk of their summer tractor rides, swimming and all of their time in Cable.

Nova Kane

Jim and I are enjoying our time in Arizona because of our family here.

Our grandson, Nick, is into basketball and scouts. We enjoy watching the 10 year olds play basketball. They do have a lot to learn about the game. In December, we went caroling with the scouts at a nursing home. What a great experience for the boys. Also, we attended Nick's Pinewood derby and the Blue and Gold banquet. What fun the scouts have and we love being a part of it!

Grandson Nick in his Scout uniform.

A Note from Nova... Winter in Arizona has been strange this year. It started with lots of rain and cooler than usual. However, in February we set a record for most days in a row with temperatures in the 80's. I filled my patio pots with flowers the first part of February.

Now my message for all my HCE friends. I hope all of you are finishing up projects for Cultural Arts. I finished two and have two in the works. There are so many areas to use your talents. I encourage all of you to enter.

Jim and I will be back in Wisconsin the first part of May.

See you then! Nova

19. Bonus Category – Let’s Make Music

For the past four years our "Bonus" contest has been greeted with a lot of excitement and participation. We decided to do it again. This year we're celebrating with **Let's Make Music**.

The bonus category is just for fun!!

Note: There is a size restriction. Base no larger than 10" x 10" with a maximum height of 20".

Here are the rules to enter:

1. The display you use for your creation is of your choice.
2. You can use any media to construct your entry.

As with any Cultural Arts entries, your entry should be judged in some way at the County level. Please bring only one entry from each county.

The entry will be turned in with your other Cultural Arts entries and will be put on display somewhere in the conference center.

This will not be a judged category – instead – the “Music” item will be voted on by those attending the conference. Each person will receive a “vote slip” in their packets when they register for the 2016 WAHCE State Conference. Then it will be up to all attending to choose the best looking entry.

We hope all counties will like the idea and join in the fun.

If you have any questions about the 2016 Cultural Arts show, please contact me. Thank you!
