## A Communication for Bayfield County HCE Members

Cooperative Extension • University of Wisconsin-Extension • PO Box 218 • Washburn, WI 54891  
Phone (715) 373-6104 <http://www.uwex.edu/ces/cty/bayfield> 711 (Wisconsin Relay)

Dear HCE Members:

Happy whatever season it is, to you! No matter what Mother Nature throws at us, HCE members keep on working.

In April we had the "Tick Talk" lesson day. Lyme disease is very prominent in Wisconsin. The DNR website has information on how to keep ticks at bay. Check it out; it is worthwhile to read. We had a great discussion on our lesson day, despite the sloppy snow that fell overnight.

The Douglas County Craft Day was held in April. It didn't snow. They had a good turnout with a wide variety of classes. I had a class on painting a ceramic vase and it was decorated with any colors they liked. They all turned out pretty, and each one was very different. Anna had a class on decorating frames with buttons. Fun and anything goes when crafting.

In May we held Bayfield County's Achievement Day and our Cultural Arts Competition. Many thanks to our members for entering their beautiful handmade items. Twelve entries will go to state.

If the rain stops for awhile, we could do some gardening. I'm on clay, a lot of clay! I planted a few things the week we had spring, and I think my peas are now down state. I don't see them sprouting??

Our Bayfield County Fair will be held August 11-14, and we start getting ready for it now. We always have a booth on the state entries, and a club booth from White River HCE. We support our fair and work hard on entries and the booth themes. Be sure to come visit us at the fair in Iron River.

We all know what happens in September— the state conference in Eau Claire.

Have a great summer, if it ever comes, and see all our beautiful ladies at the conference.

Glory Ann Bizub  
Bayfield Country President

This issue is brought to you by members of the White River HCE club.

# Achievement Day 2016

Achievement Day was held at the Cable Community Center on May 12<sup>th</sup>. Birgit H Wolf served as cultural arts judge. She is an experienced judge and artist who has exhibited in juried art shows and earned awards at local and state levels. We thank Birgit!

There were 26 entries in the art categories. Eleven entries, one story and one special category will go to the state competition.

After a business meeting, we enjoyed our guest speaker: award-winning poet Peggy Trojan. Peggy is a retired English teacher who

submitted her first poem for publication when she was 77. She is published in a wide variety of journals and anthologies. Her chapbook "Everyday Love", won second in the 2015 Wisconsin Fellowship of Poets contest and was a finalist for the Northeastern Minnesota Book Award.

Peggy read some favorites for us. The stories and images she told about were remarkable. We could have listened for hours. It was like we were in her life, watching the descriptive narrative before our eyes.

Thanks to Laila Magnuson (left) for sharing her special friend, poet Peggy Trojan (right) with our HCE group!

Cable provided a delicious lunch and we celebrated with member awards (page 5).

# Another Great Year for the Bookworms Project

With Cows to the Rescue we finished our 3rd year of Bookworms at Smiling Faces in Iron River! (Left, top & center) What a fun group of children—truly you can see those "smiling faces"! Marie Mattson came again to read the Spanish book to the children.

Mary Rapacz and I also had an activity with each book we read. With Cows to the Rescue we made paper plate cow faces. We had some pretty creative cows! Again the children get to make a collection of eight books to add to their little libraries at home. It's a great program sponsored by UW-Extension Family Living Programs, WPR and WAHCE. We look forward to September with new books to read to the children at Smiling Faces.

*Eileen Freiburger*

Drummond Bookworms ended their year with a book reading at the park. (Bottom, left) After reading the story a picnic lunch and playtime were enjoyed by all.

There were 15 children in the group and three readers. It was a very nice morning!

## 2016 Craft Day

Craft Day was hosted by Douglas County. There were many classes to choose from including: Card Making, Right Angle Bracelet, Fleece Quillo, Knotted Rag Rug Placemat, Deco Mesh Wreath, Button Frame, Intro to Tatting, and Ceramic Vase.

Glory Bizub and Anna Fridsma from White River HCE, taught two classes.

Anna had the Button Frame project: decorating any type of picture

frame with buttons, glass squares or any flat decoration that could be glued. They all turned out great, with different patterns and colors, the frames looked wonderful.

The ceramic vase was taught by Glory. The ladies picked out colors they liked and then painted any design they wanted on the vases. They also sealed the vases with a paint-on sealer, either plain or sparkly. The project was very enjoyable and they all liked the finished vase.

## SCHOLARSHIPS!

Again this year the White River Homemakers were fortunate enough to give out two scholarships of \$350 each to two very deserving students. Wyatt Pajtash & Harrison Smith are 2016 graduates of the Drummond High School. Both are going to further their education at a four year college.

Wyatt & Harrison were picked because of their academic achievements and community service. They were asked to help at one of the Homemaker Dinners as a way of showing appreciation for the scholarship. They helped with serving beverages, clearing tables and with clean up. As always their help was greatly appreciated. It is also a way to show the community that our youth is involved.

The White River Homemakers were also involved with giving out two scholarships from the Margaret Tutland Memorial Scholarship. Margaret's daughter, Missy Wieszorek, presented the recipients of the two scholarships to Kasandra Schimming and Eil Hancock.

We are proud and honored to be a part of the process that allows us to help area youth achieve their goal of continuing their education.

## UWEX Nondiscrimination Policy

Periodically, UW-Extension takes steps to assure that our partners know and understand our policy of nondiscrimination. This letter is to remind or notify you that the University of Wisconsin-Extension does not discriminate in the treatment of individuals, in the admission or access to its programs and activities, in the provision of services, or in employment.

Further, UW-Extension will not participate with organizations or in activities which discriminate on the basis of any of the legally prohibited categories of discrimination. Categories of prohibited discrimination include race, color, gender/sex, creed, disability, religion, national origin, ancestry, age, sexual orientation, pregnancy, marital or parental status, arrest or conviction record, or membership in the national guard, state defense force or any other reserve component of the military service.

Consistent with the Americans With Disabilities Act, persons who need materials in alternative format or other accommodations must write or call the UW-Extension contact person for the specific program or call the Bayfield County Extension Office, 715-373-6104, at least ten (10) working days prior to the event.

Individuals who need TTY access may contact the Bayfield County Extension Office by calling the Wisconsin Telecommunications Relay System, 1-800-947-3529 or 711.

# Remembering Margaret

By Mary Stenberg

Today is June 2, 2016 and it is Margaret Tutland's birthday. She would have been 93 today. Margaret passed away at the age of 91 on October 29, 2014. I miss her so much and think about her each and every day. No doubt, I would have had coffee with Margaret this morning and a piece of her rhubarb pie – made with orange juice. Each spring Margaret's rhubarb was ready sooner than mine and she always shared some with me. Margaret's well-established and hearty rhubarb plants grew close to the skirting at the west end of her trailer where they were sheltered and the ground stayed a little warmer.

Margaret could cook and bake up a storm. Margaret was a "from scratch" kind of cook and baker and I have many recipes that Margaret shared with me over the 13 years we were neighbors. Here is her Rhubarb Pie recipe. If you still have some rhubarb left, give this pie a try and think of Margaret while you enjoy a piece.

## Rhubarb Pie (Custard Type) by Margaret Tutland

**2 eggs**  
**1 ½ c. sugar**  
**3 T. flour**  
**¼ t. salt**  
**¼ t. nutmeg**  
**¼ c. orange juice**  
**2 T. butter, melted**  
**4 c. diced rhubarb**

**Double, unbaked pie crust for a 9" pie**  
**Beat eggs. Then mix in flour, salt, nutmeg, orange juice and butter. Stir in diced rhubarb. Pour filling into a pastry lined pie plate. Top with designs cut from the top pie crust or make a lattice top. Sprinkle the top crust with a teaspoon or two of sugar if you desire. Bake at 450 degrees for 15 minutes. Then reduce oven temperature to 350 degrees and bake 35 minutes longer.**

Margaret loved the spring and summer. I can just see her in my mind's eye out in her flower beds digging in the dirt, pulling weeds, and planting a variety of annuals in the collection of pots she hung around her yard. Margaret loved plants and flowers of all kinds and her yard and trailer house were full of them. Here at my place, I have several clumps of blue iris, some chives, Lily of the valley, and rhubarb plants all thanks to Margaret!

*A saw hand-painted by Margaret in 2011*

Last fall, the beautiful black hen that Margaret gave me in 2008 passed away. I simply called her Margaret's chicken and she lived a good long life here with me. She was a good layer and a friendly chicken. Margaret's chicken got along well with my two male Guineas and she often roosted between them. Margaret's chicken loved to lay in the sunshine and enjoyed eating bread from my hand. It was a sad day for me when I found Margaret's chicken had passed away.

Margaret was a woman of many talents – painting being one of them. I am so fortunate to have a saw hand painted by Margaret in 2011. I gave Margaret several photos and she went to work to paint me a mural on an old saw my husband had found. The painted saw hangs in our living room and is another cherished memory of Margaret.

Most of all I miss Margaret's companionship at Homemakers. Margaret was always ready to attend the monthly meetings, go to lesson days, work at our breakfasts, suppers, and other fund raisers, and participate in special homemaker's club events. Thanks to the generous donation by Margaret's family, her memory lives on in the form of the Margaret Tutland Scholarship. The past two years we have awarded two scholarships in Margaret's name to Drummond High School graduates.

I miss you Margaret!

# What is a Safe and Comfortable shoe?

By Lona Schmidt

*Lona Schmidt, a Stepping On instructor and White River HCE member, recently demonstrated exercises for strengthening our ankles in order to keep our balance and prevent falls. Here is her recommendation for footwear.*

### Good support:

- Firm arch support
- Sole that is flexible under ball of foot and not too thick
- Covers most of foot
- A lightweight shoe
- Roomy toe box for comfort
- Laces or Velcro for stability

### Proper fit:

- At least half an inch between the longest toe and the inside of the shoe
- Holds foot well back in the shoe
- Snug, firm grip at heel counter

### A sole that grips

- Non-slip rubber sole
- Textured for grip, with broken border

### A heel that is stable AND grips:

- Non-slip and textured
- Low heel (less than 1 or 2 inches)
- Beveled, broad heel (at least 2 inches) with rounded edge

### Lesson Day: Tick Talk

A small, enthusiastic group (left) braved a snowy, slushy March day for a lesson on tick-borne illness led by Glory Bizub and Susan Davis at the Delta Town Hall. Glory and Sue shared excellent resources from the CDC, Wisconsin DNR and other sources on Lyme Disease, Ehrlichiosis and other tick-borne disease. Focus was on history, symptoms and prevention of these serious diseases. Lona Schmidt also shared information on prevention and on tick repellents and pesticides for both animals and humans from her perspective as a veterinarian. It was a very informative day!

## Happy Hours Update

Happy Hours members have been busy with various community activities. As members of the Brule History Research Group they are writing the book: [A Town on a River – Six Neighborhoods on the Brule, An Illustrated History of Brule, Wisconsin.](#) They hope to have it in print by the end of this year. They participate in the Rural Care and Share Food Shelf and have also helped plant flowers, shrubs and trees to beautify the Downtown Brule Community Park.

# Bayfield County HCE Report for Spring District Meeting

## April 21, 2016

In November White River held the Hunters Dinner, with the proceeds going to the several charities we support. We had our Christmas Party and wrapped up the year with an excellent dinner and games. In December and January we tried three times to have a county meeting and deliver the baby basket that the three county clubs donated to. It snowed, etc. We finally got it delivered in February to baby Dakota Grace and a real appreciative family.

For the County Lesson Day , entitled "Tick Talk" we had 12 people make it through another snow storm. It was a very informative group discussion. One of the members is a veterinarian, and she had some excellent advice on pet and people sprays to help keep ticks away.

White River planned a soup and salad dinner, on March, 16<sup>th</sup> . It snowed;... so we held it the next night. The dinner was well received and these funds go toward scholarships for area students.

In February, the Ino Valley 4-H club frosted over 100 cookies. These were put into Valentine Baskets, along with fruits and homemade breads and candies, that White River HCE gives to neighbors, friends and families that need cheering up and just a visit.

On April 17<sup>th</sup> , we served a delicious breakfast of pancakes, scrambled eggs, cheesy potatoes and sausage. These funds also go toward our student scholarships. (It didn't snow)

Also, the family of Margaret Tutland made a scholarship in her honor. Margaret was one of White River's active and fun and a most unforgettable member.

There was also a sewing day, or two, and many dresses were sewn and sent to the girls and villages in Honduras.

We also collect for the Heifer Fund and Penny's For Friendship.

The HCE groups also donate to the Brick food shelf in Ashland and Iron River.

Cable's HCE helps with the annual Blood Drive in May at Cable, and donates to the Cable Food Shelf, and the New Day Shelter.

Our Brule ladies, Happy Hours, help out with the Brule Care and Share food shelf and the Brule Community Gardens.

The next county event will be Achievement Day in May . This is the time we enter all our arts and crafts to be judged for the state conference.

Glory Bizub

Bayfield County President
